Dear Families,

I'm writing to let you know about a new educational resource called **Epic!** that will help foster your child's love of reading and self-directed learning this year.

Studies show that kids who read at home do significantly better academically during the school year and beyond. Epic! is the leading digital library for kids, with unlimited access to an incredible selection of 25,000 high-quality books, learning videos, quizzes and more. You can access Epic! on any device, including your smartphone, iPad or computer — so your children can read and learn anytime, anywhere.

In addition, for each family in our class that signs up for Epic!, our class will receive points that I can view and redeem on our classroom rewards page for free books and supplies to enhance your child's learning experience.

Please see the attached flyer for a sampling of what's available in the Epic! library. Your child can easily search for books based on reading level, or their interests (e.g., mysteries, fantasy, STEM, DIY, animals and more). You'll find a variety of subjects bound to spark your child's imagination and get them excited about reading and learning.

Epic! is offering an exclusive 25% OFF discount to families in our classroom, available for a limited time only when you sign up at www.getepic.com/teacheroffer. You'll be given a FREE 30-day trial and instant, unlimited access to the Epic! library. If you decide to continue using Epic! after 30 days, the exclusive teacher offer price is **\$5.99** per month (a 25% discount from the regular price of \$7.99/ month).

Sign up at www.getepic.com/teacheroffer to encourage your child's love of reading and learning, and get immediate access to 25,000 books, learning videos, quizzes and more!

Thanks so much!

Your Child's Teacher
