

10 Creative Ways to use Epic! in your Classroom

1. Use Epic! for the "Listening" portion of Daily 5 using Read-to-Me and Audiobooks
2. Project Epic! on your interactive whiteboard to teach a specific skill or strategy
3. Use non-fiction books for research projects, such as reports on animals
4. Students create a "wish list" of books and then partner up to explain their list
5. Epic! is perfect for Read Aloud, Shared Reading & Independent Reading time
6. Compare two books by the same author
7. Students create book reviews and recommend favorites to classmates
8. Expose students to different expressions and intonations using Read-to-Me books
9. Perform experiments using ideas in Epic!'s STEM books
10. Create book commercials using multimedia tools such as iMovie, Telestory, or ChatterPix
